CITY AND STATE NEWS.

We could not attend the Lecture last night but learn that it was very satisfactory to the small audience present. Probably Mr. Jones may be induced to repeat it when he would no doubt have a larger audience.

All persons subject to Home Guard duty will do well to attend promptly to the orders of their officers to meet to-day. We refer such as live in this city and vicinity to the notices published in this paper.

Murder by Negroes.—We learn that a most brutal murder was committed last week on the South side of Neuse, on Adams' Creek, about twenty miles below Newbern, on the bodies of Mr. Alfred Reel and his sister, a most respectable and loyal lady and gentleman of that county. In the absence of Mr. Reel, his sister, about thirty years old, and a negro girl being the only persons at home, two negroes entered the premises, took all the valuables, including money, that they could obtain and then murdered Miss Reel. Mr. Reel coming up about this time, entered the yard, and was instantly shot dead by these inhuman monsters. Mr. Reel and his sister were loyal Confederates of unblemished character, and were both unmarried.

The next annual session of the North Carolina M. E. Conference will meet at Mocksville, Davie county, on the 7th of December.

A Generous Donation.—Among the donations to the Soldiers' Aid Society of Orange, published in the *Recorder*, we see one of five thousand dollars by Mr. Henry N. Brown, of Hillsboro. In these days of selfishness, when love of money—that "root of all evil"—is predominent, such a deed deserves to be widely chronicled. It speaks for itself and needs no eulogy.

A load of Yankee prisoners arrived at Salisbury on Wednesday last.

Sorghum molasses is selling at Charlotte at $5 and $6 a gallon, and still declining. Why should the price be kept up here?

The Wadesboro *Argus* urges the name of Hon. Thos. S. Ashe for the Senatorship.

THE LATE OPERATIONS OF THE HOME GUARD, &C.

We copy the following from the Salem *Press*:

"We have been a silent observer, for some time, of the political movements in this State, (for endeavor to disguise the fact as you may, the cloven foot of politics is still perceptible, notwithstanding protestations to the contrary,) and have particularly noticed the bitter opposition to the Conservative party, in certain quarters, frequently implied and as often expressed, for the sole purpose of making a little political capital for an old defunct party. We will, this week, allude to one instance, by way of illustration:

Some months since, certain daily and weekly papers of the "destructive" order, intimated, in pretty strong terms, repeatedly, that if the civil authorities did not interfere and put a stop to barnburning, threats of assassination, robberies, &c., the military would take the matter in hand! The *Esquires, County Solicitors*, &c., were not alarmed however, and so far as we know, made no move to arrest the criminals and depredators and restore order in the land, for the good and valid reason, we presume, that there was no evidence or even suspicion strong enough to warrant arrests. At length, sure enough, the *military* was called out *en masse*,—a consummation, we believe, most devoutly wished and prayed for by the agitators,—in certain counties, at this most inappropriate season of the year, regardless of the exemptions provided for by law, with the avowed purpose of *executing the laws*, but really merely to hunt deserters.—The Home Guard was called out, considered in service, rations, at the expense of the State, issued for more than a month, and the men kept away from their industrial pursuits, at this one of the most busy seasons of the year, entailing a heavy expense on the State, and great loss to the farming community and others. We hope a full estimate of the cost of this military expedition will be published, with the number of deserters arrested, for the information of the people.

Now, since the Home Guard have been disbanded and certain objects accomplished, that is the political capital attempted to be made by the opposition?

The Sentinel predicted that the draft in the county here cost the State not less than $12,000 or $20,000, and other counties in the same or greater proportion, and says: "An idea may then be formed of what Conservatism in this particular, has cost the State, within the last month. All this work is purely a Conservative measure," &c.

Now, it is a well known fact that there are numerous deserters in every State in the Confederacy, and we should like to know what plan has been adopted to arrest them in other States.

The objection to the State,—which the Sentinel seems to have so much at heart, but of which it endeavors to make only political capital—might have been very easily avoided. The Governor could have given the commanding officers of the Home Guards discretionary power to compel every Captain of the Home Guard to keep his district clear of deserters, under certain regulations, which could have been done with so much law and justice at the ordering out of persons exempted by the Legislature, and the arrest of women and old men by the military, and keeping them under guard for days and weeks. Such high-handed measures cannot be charged to true "original" conservatism, and the *Sentinel* cannot make it thus appear; this whole move of calling out the Home Guard *en masse* is nothing short of *destructiveness*, view it in any light, and the *Sentinel* knows it, and should charge it accordingly.

SPECIAL PROVIDENCE—ATLANTA AND PETERSBURG.

The papers report that during the shelling of Atlanta by the barbarious troops of Sherman, 497 persons were killed and 691 wounded.—Forty-seven houses were burnt, and $5,000,000 worth of real estate destroyed. This displays a list of casualties truly astonishing when compared with the casualities in Petersburg from the same cause. Grant has been shelling Petersburg for more than three months. Some shells are thrown into town at some time during each day and night. Mortar shells weighing 100 pounds, shells weighing 64 pounds charged with glass and combustible material, shells weighing 32 pounds loaded with small lead balls, and 13 pound shells have been poured upon every part of the city, and at all hours of the day and night, and yet, strange to say, only four white persons have been killed, and not more than twice that number wounded. Ten or twelve negroes have been killed, and perhaps as many more have been wounded. Twenty or thirty houses in all have been burned. The aggregate loss we have no means of estimating.

As we look at these figures, we are more and more impressed with the idea that the special Providence of God has been exercised toward Petersburg, in answer to earnest and fervent prayer. We have been in the city during the whole time, and as we have watched and listened to shell after shell flying in the very midst of a moving mass of human beings, exploding and scattering the fragments and contents in every direction, and yet so few injured by them, our heart has been filled with emotions of gratitude to God for his merciful deliverance. The people of Petersburg truly have cause to praise and magnify the name of the Lord for his special Providence exercised over them. His arm has been stretched for our protection. Many, very many narrow escapes have occurred, and hundreds have been almost in the place of destruction, but have escaped. We pray that all may be duly impressed with the goodness of God, and that they be led to seek a closer walk and communion with Him. The citizens of Petersburg should be a truly religious and confiding people, after this display of God's mercy.—*Christian Sun.*

Fayetteville Items.—The following items are from the *Carolinian* of Wednesday:

The Home Guard Regiment, commanded by Col. Draughon, returned to this place last evening. While in the upper counties they have rendered invaluable service to the cause—much more than if they had been in the field for the same time. They have returned to duty more men than could pass the medical board for active service in their own ranks. The men they have returned are needed now and will do the cause much good.

We learn that Lt. Col. F. I. Childs, commandant of the C. S. Arsenal at this point, has inaugurated the system of employing female clerks to do the work of men detailed for that purpose. Two of the young ladies are now engaged as Clerks of the Arsenal.

FRENCH BROAD LANDS FOR SALE.

GLEN CANNON FARM, TRANSYLVANIA COUNTY, N. C.

THIS FARM LIES ON THE FRENCH BROAD RIVer, within five miles of Brevard, the county town, and is decisively known as the best tract of land, and the most productive property in the county, and probably in Western North Carolina. In salubrity of climate, beauty of scenery, location and fertility of soil, it is unsurpassed by any property in the State. It consists of 1,370 acres of land, 600 of which are first quality French Broad bottom, all of which, with the exception of 40 or 50 acres, are cleared and under a high state of cultivation, thoroughly drained and excellent fences, most of which are new lath fencing on locust posts. 2,675 bushels of corn were gathered from 26 acres of this land with ordinary cultivation and without any fertilizer ever having been applied to it. Ninety acres are laid down in the most approved mode, to the grasses and afford heavy crops of hay and excellent pastures. The balance of the tract, say 970 acres, is the heaviest and best timbered mountain land.

The whole tract in under one boundary and may be subdivided advantageously, there being four very eligible and beautiful building sites, with bottom land attached.

On the premises is a good cottage residence, of five rooms, each with a fire place; kitchen, servant houses, ice house, storehouse, dairy, smokehouse, framed cornerib, capacity, 2,500 bushels ear corn; one double and five single negro houses, two tenant settlements, an excellent saw and grist mill, all built within thirteen years by the proprietor. This saw mill is driven by an overshot wheel of 28 feet in diameter, and is located at one of the most beautiful water falls of about 100 feet in height and equal to 150 horse power, and only fifteen minutes walk from the residence.

This property for this year is under rent to General Smith, of East Tennessee, who will give any information desired during the absence of the proprietor.

The price of these lands is (160,000) one hundred and sixty thousand dollars. Payment may be made in Confederate stock at the market value at Columbia, S. C., at time of sale.

With the above property can be purchased twelve remarkably prime and orderly negroes, being a picked gang accustomed to the culture of the farm in the most careful and cleanly style. Among them are four men, three women and five children. The men are excellent plowmen, mowers, cradlers, &c., one is a good carpenter. Of the women, one is an excellent cook and spinner. The children are from one to six years of age. Also the farm tools consisting in part of plows, harrows, horse rake, field roller, corn planters, sorgho mills, molasses boilers, corn sheller, straw cutters, timber carts, &c. Also the stock of highly improved cattle.

Address McK. JOHNSTONE,
Spartanburg, S. C.

N. B.—I think I can take the liberty with Judge R. M. Saunders and the Right Rev. Bishop Atkinson, of offering them as references in regard to the value, &c., of my farm.

My cattle consist of 15 head, and my sheep of about 80 head.

I have a considerable lot of lumber and 30,000 shingles on hand.

I will take $200,000 for the land, negroes, stock, farming tools, lumber, &c., or will sell separately.
